

Crushproof Tailpipe Adapters

Date 7/04

Part No. FXXX

Crushproof

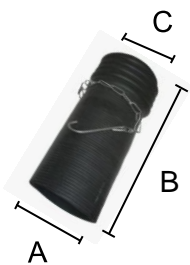

TAB 3

Crushproof offers a complete line of accessory items that are designed to make your exhaust system safe and easy to use and prolong the life of the hose. No system is complete without a tailpipe adapter.

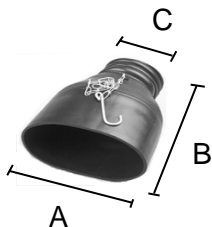

Hook and chain holds the tailpipe adapter in place and protects the hose and tailpipe. Always select an adapter with at least 1/2" diameter clearance around the tailpipe.
