

# Fume-A-Vent Nordfab Hose Reel Ducting Systems

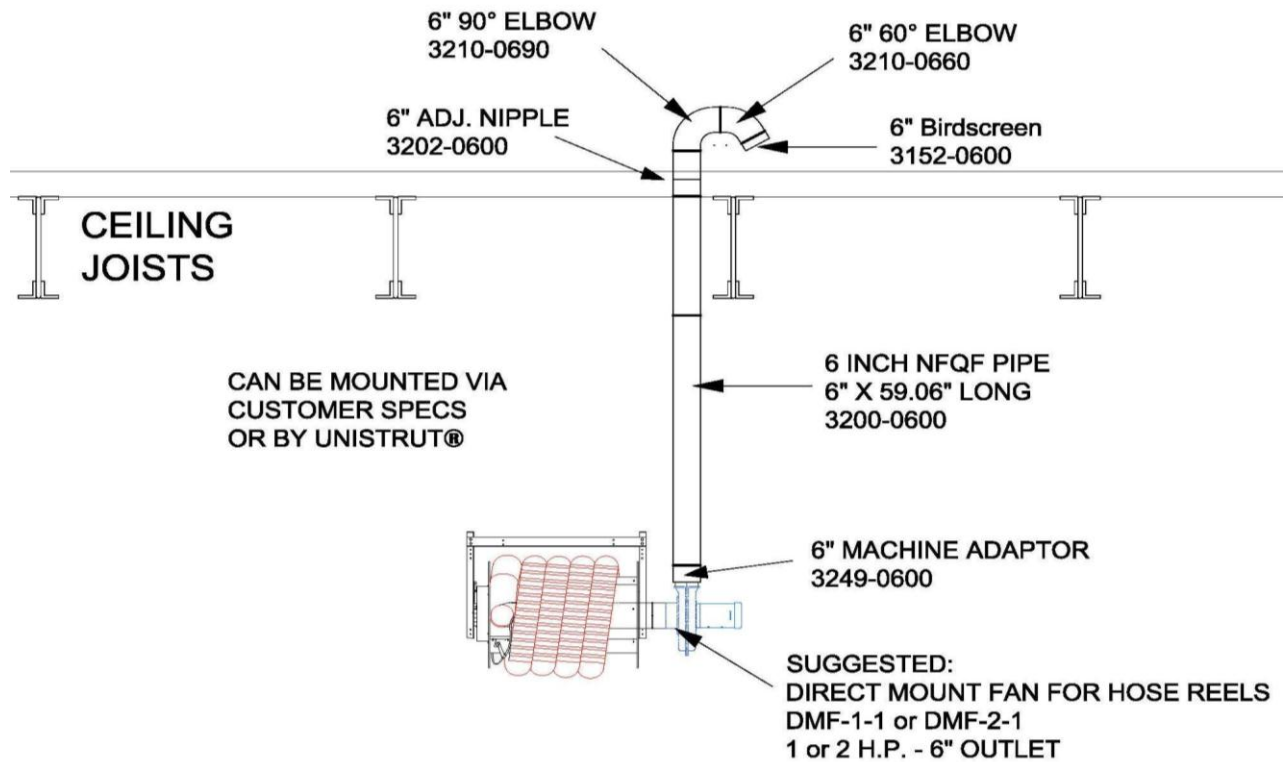

Date 7/12

Part No. FAV-NF-XXXX

Ducting Systems

TAB 17-C

This series of Nordfab Quick Fit ducting system is designed for Roof or wall Ventillation. All of our duct systems can be personalized to fit every shop and buidling. We have an optional Birdscreen or No-Loss Stackhead to prevent air loss and debris. Below is a common example of our Hose Reel Ducting.
