

## Fume-A-Vent TPA 05 Rubber Coated Steel Adapter

Date 7/12

Part No. TPA05-XX-XX

Tailpipe Adapters

TAB 10-F

This TPA Series Adapters will fit to nearly any exhaust pipe, with optional clamps, dampers and more to fit your specific needs. The TPA 05 features rubber coated 20 gauge stainless steel pipe to prevent exhaust damage. This is our most versatile Tailpipe Adapter. This adaptor is made with 1/4" 600°F degree EPFM rubber.

Optional  
Locking Hand Damper

Included: Spring Clamp  
or Vice Grip

Shown above is the TPA-05-0606-SC and TPA-05-0808-SC. Both have the optional Locking Hand Damper (LHD) and Spring Clamp shown. Other accessory options available
